NOTE, All prices include V1® exposed Aluminium Bottom Bar, Trademark Registered, it is the superior finish

LARGER BLINDS, Depending on fabric may need a 48mm fluted tube or a 55mm Honeycomb tube
We have to charge the cost difference as the tubes are £8 - £12 per m - see extras.

Eclipse no sew bottom bar is an extra it is well discounted under the Eclipse price - see extras.

Wraps are an addition, labour is most expensive part of manufacture & take time, we advise exposed

All wraps come with Eclipse aluminium bottom bar as a base. PLASTIC WRAP WE DO NOT USE OR STOCK

We cannot guarantee blackout wraps over 2000mm some fabrics are not stable and slip, we advise exposed

NOTE, All prices include V1® exposed Aluminium Bottom Bar, Trademark Registered, it is the superior finish

LARGER BLINDS, Depending on fabric may need a 48mm fluted tube or a 55mm Honeycomb tube
We have to charge the cost difference as the tubes are £8 - £12 per m - see extras.

Eclipse no sew bottom bar is an extra it is well discounted under the Eclipse price - see extras.

Wraps are an addition, labour is most expensive part of manufacture & take time, we advise exposed

All wraps come with Eclipse aluminium bottom bar as a base. PLASTIC WRAP WE DO NOT USE OR STOCK

We cannot guarantee blackout wraps over 2000mm some fabrics are not stable and slip, we advise exposed
